

SC&F SPECIALTY UNDERWRITERS

INLAND MARINE DEPARTMENT IS:
Growing, Flexible, Creative and Competitive.

SPECIALTY UNDERWRITERS

part of the **Crum&Forster** group

The classes where we have had the most success include:

- Large and Small Builders Risk (including Frame Construction)
- Rehabs including Structural Renovations or Build-Outs
- Manufacturers Output Policies
- Mid-Term Builders Risk including those rejected by other carriers
- Medium to Very Large Contractors Equipment Schedules
- Installation Floaters
- Auto Physical Damage (available for both Yard and Over the Road)
- Photovoltaic "Solar" Modules (ground or roof-mounted) for both Installation and Equipment / Property Coverage
- Fine Arts and other Miscellaneous Inland Marine Floaters
- Electronic Data Processing Equipment / Medical Equipment Floaters

Recent successes written by the Inland Marine Department are:

NATURE OF RISK	T.I.V.
Builders Risk	
Mid-term Ground-up construction, 93% completed, of eight Fire-Resistive condominium buildings	\$ 19,350,000
2-year Ground-up construction project of a 60,000 square foot Frame building to be condominiums	\$ 14,700,000
Ground up construction of Frame Apartment buildings	\$ 10,970,000
Rehabilitation of Partially Occupied Apartment buildings	\$ 6,845,000
Mid-term Ground-up construction of 2 Apartment buildings	\$ 5,400,000
Moderate renovations of five 3- and 4-story Joisted Masonry, circa 1910 buildings to be apartments	\$ 5,105,000
Mid-term for a Frame Residential project	\$ 4,636,000
Ground-up construction of 7 Frame Apartment buildings	\$ 3,000,000
Renovation of a circa 1917, Joisted Masonry building to be converted to apartments	\$ 2,225,000
Mid-term Ground-up construction, 85% completed, of a 4-story Joisted Masonry mixed-use building	\$ 1,950,000
Renovation of a 3-story, circa 1932, Fire-damaged mercantile / apartment building	\$ 1,329,000
Contractor's Equipment and Related Property	
Equipment, Business Personal Property, BI, EDP for a Water Main Contractor in California	\$ 3,432,000
Equipment, Building and Business Personal Property for a Landscaper	\$ 887,000
Equipment, Business Personal Property, BI / EE for an Electrical Contractor in California	\$ 756,000
Equipment for a Utility Contractor	\$ 706,000
Equipment and Related Property for a Commercial Builder	\$ 345,000
Equipment for an Aggregate Manufacturing Contractor in California	\$ 215,000
Photovoltaic (PV) Modules "Solar Panels"	
70.2 kW over 3 Roof-Mounted Property coverage for a PV Developer at Schools in California	\$ 1,392,000
125 kW Roof-Mounted Property coverage for a Power Producer at a Court House in New Jersey	\$ 928,000
200 kW Ground-Mounted Installation & Property coverage for a Property Owner in Georgia	\$ 910,000
100 kW Ground-Mounted Property coverage for a New PV Developer in Pennsylvania	\$ 572,000
Auto Physical Damage	
Vehicles and Related Property for a Building Materials Hauler in California	\$ 5,516,000
Vehicles for a School Bus Company	\$ 3,104,000
Tractors & Trailers for a Milk Hauler in California	\$ 2,538,000
Vehicles for a Coal Hauler in West Virginia	\$ 1,928,000
Trucker for Hire – Hauling paper products, clothing and plastic goods	\$ 1,805,000
Emergency Response Vehicles	\$ 1,769,000
